FUNERAL RECEPTIONS

Saxon Hall, the Southend Masonic Centre in Aviation Way, is increasingly being used for family wakes and funeral receptions. As a result, we have become highly experienced in providing such services in a sensitive and discreet way.

Conveniently, Saxon Hall has free parking for over 100 cars, and could not be easier to find, however you and your guests plan to travel here it will not be a problem. The hall is located just off the A127 and positioned adjacent to London Southend Airport. For those travelling by rail, Southend Victoria is four miles away and Rochford train station is just two miles away.

We understand that for some remembering the loss of a loved one can be a time for quiet reflection, where family and friends are gathered in difficult circumstances. We equally acknowledge that there are also those that may wish to celebrate the life of the departed in a positive manner.

At Saxon Hall we provide function suites, all of which are fully air-conditioned and in keeping with the wishes of the family and friends. You can be sure that our caring and understanding staff will be sensitive to the needs of those attending at such a traumatic time.

Naturally, we can take care of all catering needs for gatherings from 10 up to 200. The premium package also includes unlimited teas and coffees, or mourners have access to our fully licensed bar.
